BUILD YOUR OUTDOOR VISION, YOUR WAY.

Imperial Kool-Ray 2000 Series Pre-Assembled aluminum railing has a modern, rectangular handrail profile that adds an element of robustness to your home. Whether you are building a new home or improving your current one, Imperial Kool-Ray railing is the high-quality railing that will fit your needs.

The 2000 series aluminum railing kits are pre-assembled, making it fast and easy to install. Our railing system requires simple unfolding and fastening to post using a spindle attachment. With our easy-to-follow instructions and video it is perfect for the value-conscious do-it-yourselfer looking for a professional finish.

Imperial Kool-Ray aluminum railings are sturdy and will keep their finish over the years. That's why we back our products with a 20-year warranty on material, 5 years on the paint finish and 2 years on plastic components.

Consult your local building codes before starting project.
