**BUILD YOUR  
OUTDOOR VISION,  
YOUR WAY.**

Imperial Kool-Ray Legacy aluminum railing has a rectangular handrail profile with beveled edges that provides a sleek and sturdy finish to your home.

Whether you are building a new home or improving your current one, Imperial Kool-Ray railing is the affordable high quality railing that will fit your needs.

The Legacy aluminum railing kits are ready to assemble and include all components required to build one section of railing (posts sold separately). Our railing system only requires basic assembly and with our easy-to-follow instructions and video it is perfect for the value-conscious do-it-yourselfer.

Imperial Kool-Ray aluminum railings are sturdy and will keep their finish over the years. That's why we back our products with a 20-year warranty on material, 5 years on the paint finish and 2 years on plastic components.

The Legacy series also meets and exceeds the National Building Code of Canada 2020. Consult your local building codes before starting project.
