## Pre-Assembled Railing Section

FAST & EASY  
INSTALLATION

Imperial Kool-Ray PROFORMANCE Pre-Assembled aluminum railing has a universal appeal with its versatile and timeless architectural design and adds an element of robustness to your home. Whether you are building a new home or improving your current one, Imperial Kool-Ray railing is the high-quality railing that will fit your needs.

The premium PROFORMANCE aluminum railing kits are pre-assembled, making it fast and easy to install. Our railing system requires simple unfolding and fastening to pre-attached bracketed post. Plus, thread locking screws provide a vibration proof connection between post and railing. With our easy-to-follow instructions and video it is perfect for the value-conscious do-it-yourselfer looking for a professional finish.

Imperial Kool-Ray aluminum railings are sturdy and will keep their finish over the years. That's why we back our products with a 20-year warranty on material, 5 years on the paint finish and 2 years on plastic components.

Designed to meet and exceed the 2020 National Building Code of Canada for residential, commercial and multi-family applications. Consult your local building codes before starting project.

**Lifetime  
Limited Warranty**
